"Solid Values with a New Identity"

Greetings,

Masdar was created to fulfill a need within the Saudi market for a company that supplies full range of building materials and provide solutions to the construction requirements with good quality, fast and fair pricing.

Our continued investment in our personnel, operations & support functions have played a critical role in the success we have achieved so far. We are endlessly striving to develop and train our talents and prepare them for future leadership roles, all-in-one to realize our nation's "Vision 2030".

By expanding Masdar's core activities, we aim to be the "One Stop" destination to provide full solutions & innovations to the building & construction sector. Along the way, we are determined to continue our success and meet any challenges raised by specialized demand or requirements. We attribute this success to the strong relationships we have established through our common-sense principles and business values with our customers and partners.

With our loyal stakeholder's commitment, trust and continuous support, we aim to retain our leading position in the market.

Best Regards,

Board Chairman

Musaab S. Al-Muhaidib

Company's Strategy

OUR HISTORY

HIGH QUALITY PRODUCTS SINCE 1971

1971 – 1980

The year was 1970, Abdulkadir AbdulMohsen Al-Muhaidib & his eldest son AbdulHameed commenced on trading imported metals & cement from King Abdulaziz Seaport in Dammam to various shops in the vicinity, 1 year later AbdulHameed moved to Riyadh and established the first physical branch. This was the beginning of Al-Muhaidib Building Materials Company (Masdar).

1981 – 2002

The newly formed company started to expand by opening new locations within the Kingdom and adding new line items. In 1981, a new company was established under the name of Al-Muhaidib Hardware Co. specializes in importing and distributing tools, handles & door hardware. In 1989 a professional architectural hardware department was founded to cater for large projects.

2003 – 2013

In 2003, the group ventured into fasteners trading, fabrication, and distribution by acquiring 2 fabrication units & 2 trading entities, creating Al Muhaidib Technical Supplies Co. to unify & manage them. The new company added capabilities to service and plate fasteners for the oil & gas industry.

2014 & Beyond

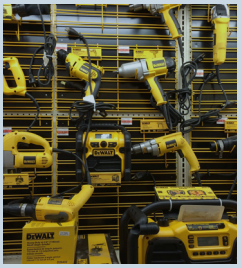

In 2014, AK Al-Muhaidib & Sons holding the 3 companies to form “Masdar” Building Materials CJSC with paid-up capital of SAR 400 Mil. In 2017, Masdar opened its first builder’s merchant mega branch to fulfil the vision of a 1 stop shop for all building material requirements.

Today, Masdar leads the building materials sector in Saudi Arabia by operating 105 branches in 29 Cities with more than 80,000 SKUs of long & flat steel, sawn timber, wooden sheets, decoratives, plumping, electricals, adhesives, chemicals, tools, door hardware, insulations, fasteners, access control & smart opening solutions.

Saudi Aramco E-Reference No. 0004708

Registration Approval Letter

September 08, 2021

Attention : MASDAR BUILDING MATERIALS COMPANY

CR Number : 1010138288
Supplier Type: Materials Vendor Only
Country : Saudi Arabia

We are pleased to inform you that MASDAR BUILDING MATERIALS COMPANY is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 1005847,07, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.

Moamar Khazal Al Usaimi, Supervisor
Supplier Registration Unit
Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:
1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (SCOMs and SCATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com
