“Solid Values with a New Identity”

GREETINGS,

Masdar was created to fulfill a need within the Saudi market for a company that supplies full range of building materials and provide solutions to the construction requirements with good quality, fast and fair pricing.

Our continued investment in our personnel, operations & support functions have played a critical role in the success we have achieved so far. We are endlessly striving to develop and train our talents and prepare them for future leadership roles, all-in-one to realize our nation's "Vision 2030".

By expanding Masdar's core activities, we aim to be the "One Stop" destination to provide full solutions & innovations to the building & construction sector. Along the way, we are determined to continue our success and meet any challenges raised by specialized demand or requirements. We attribute this success to the strong relationships we have established through our common-sense principles and business values with our customers and partners.

With our loyal stakeholder's commitment, trust and continuous support, we aim to retain our leading position in the market.

Best Regards,

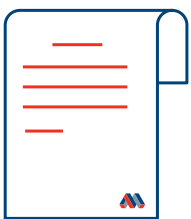

Board Chairman

Musaab S. Al-Muhaidib

OUR HISTORY

HIGH QUALITY

PRODUCTS

SINCE 1971

1970

1980

The year was 1970, Abdulkadir AbdulMohsen Al-Muhaidib & his eldest son AbdulHameed commenced on trading imported metals & cement from King Abdulaziz Seaport in Dammam to various shops in the vicinity, 1 year later AbdulHameed moved to Riyadh and established the first physical branch. This was the beginning of Al-Muhaidib Building Materials Company (Masdar).

1981

2002

The newly formed company started to expand by opening new locations within the Kingdom and adding new line items. In 1981, a new company was established under the name of Al-Muhaidib Hardware Co. specializes in importing and distributing tools, handles & door hardware. In 1989 a professional architectural hardware department was founded to cater for large projects.

2003

2013

In 2003, the group ventured into fasteners trading, fabrication, and distribution by acquiring 2 fabrication units & 2 trading entities, creating Al Muhaidib Technical Supplies Co. to unify & manage them. The new company added capabilities to service and plate fasteners for the oil & gas industry.

2014

2022

In 2014, AK Al-Muhaidib & Sons holding the 3 companies to form "Masdar" Building Materials CJSC with paid-up capital of SAR 400 Mil. In 2017, Masdar opened its first builder's merchant mega branch to fulfil the vision of a 1 stop shop for all building material requirements.

To align with Vision 2030, Masdar decided to establish Masdar Service Industries to provide our customers with value-added fabrication and customization. Today, Masdar operates 4 fabrication units in the Kingdom to produce value-added Fasteners, Cold & Hot Rolled Flat Metal Products, long Steel Products & Wooden Panel Customization.

2023

&

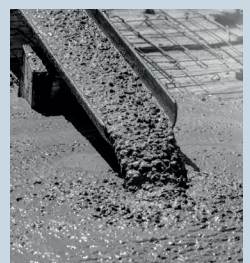

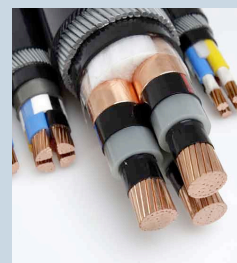

Beyond

Today, Masdar leads the building materials sector in Saudi Arabia by operating 105 branches in 29 Cities with more than 80,000 SKUs of long & flat steel, sawn timber, wooden sheets, decoratives, Plumbing, electricals, adhesives, chemicals, tools, door hardware, insulations, fasteners, access control & smart home solutions.
